Owner: 3P Ranch

Courtesy of 3P Ranch

Wonderful black calf by CENTURY 100 and out of a colorful black and white dam from the core of HH and RM breeding. No telling what those horns are capable of. Buying heifers like this,, "you can't get hurt falling out of a 1st floor window." Her half sister just sold for \$19k at the Horn Showcase 2023 Sale with many more selling for top dollar in sales and private treaty deals.
