What happens when a Hydro daughter and the son of the great 3S Danica make a baby? Star of the Century has some big shoes to fill but with a pedigree that includes HH Samurai, 3S Danica, 3S Touchdown Tari, WS Hydro, Tejas Star and more he's set up for success. We are impressed with what we are seeing in size and conformation and he will get his first calf crop Spring 2025. He's a complete Cowboy Tuff Chex outcross and
