Royal "T" and Dixie couldn't have made a flashier calf together and this baby has the makings of a sire written in his pedigree. His Dam is an over 80" True Black young 4 year old and his sire is a double wild gene TCC Houdini son who's throwing consistent horn growth, color, and size on his offspring. His pedigree brings in TCC Houdini, Cowboy Tuff Chex, HR Rio Rose, WS Sunrise, and Fifty-Fifty BCB
