This little girl is exciting! She was born a huge heifer, the biggest we've ever had and has a genetic powerhouse pedigree including her 90" TTT sire Colluder bringing in WS Jamakizm, the great 113" TTT Silent Iron, going back to the late Drag Iron along with Hubbell's Jeremiah out of Cowboy Catchit Chex and TCC Shutterbug on her Dam's side. We are anxiously awaiting her to brindle. Time will tell.

**TTT:** 27.8750 on 11/17/2024  
**Weight:** 510.0000 on 10/12/2024
