

## **3P ROYAL SAFARI**

Date of Birth: 09/15/2024 Registration 1: CI352436 Breeder: 3P Ranch 3P Ranch Owner:

Ravin and Royal "T" gave us such an amazing heifer last year, we tried it again and they did not disappoint. Safari is a colored up paint like her Dam, with a twist. She will likely go through some color changes thanks to Royal "T"'s double wild gene. She's bred for horn and confirmation and we are excited to watch her grow here bringing in genetics from Delta Lucky Ace, TCC Houdini, and Cowboy Tuff Chex.
